

River Front Site Policy

Chinook Bend management wants to be fair to all members while also honoring all contractual obligations.

***There are only 19 river front sites (14F is reserved for employees of the park and technically is not a site)**

***Chinook Deluxe Member contracts contain "preferred" river front spots**

***When Chinook Deluxe members do not occupy all sites, Classic Members may use river front sites.**

***All Members will be required to move from a river front site after first extended stay week, unless there is no conflict.**

**Thank you,
Chinook Bend Management**
